24           “**SECTION 10m.** 196.025 (7) of the statutes is created to read:

1           196.025 (7) ENVIRONMENTAL REVIEW OF CERTAIN WIND ENERGY SYSTEMS. (a) In this  
2 subsection:

3           1. “Application for approval” has the meaning given in s. 66.0401 (1e) (a).

4           2. “Political subdivision” means a city, village, town, or county.

5           3. “Wind energy system” means a wind energy system, as defined in s. 66.0403  
6 (1) (m), that has a nominal capacity of more than 10 megawatts and less than 100  
7 megawatts.

8           (b) If the commission receives a copy of an application for approval for a wind  
9 energy system under s. 66.0401 (4) (a) 1r., the commission shall treat the application  
10 for approval as a type II action under its rules promulgated under s. 1.11 and perform  
11 all review and other actions under the rules that are required for type II actions,  
12 except that, if the commission determines that an environmental impact statement  
13 is required under the rules, the commission is not required to hold a public hearing  
14 on the application for approval.

15           (c) If the commission cannot comply with par. (b) within the 90–day time period  
16 specified in s. 66.0401 (4) (d), the commission shall notify the political subdivision to  
17 which the application for approval was made and specify the additional time  
18 necessary for the commission to comply with par. (b).”.

19           **8.** Page 13, line 24: after that line insert:

20           “**SECTION 13m.** 196.85 (1m) (e) of the statutes is created to read:

21           196.85 (1m) (e) For the purpose of direct assessment under sub. (1) of expenses  
22 incurred by the commission in connection with its activities under s. 196.025 (7), the

1 term “public utility” includes an applicant for an application for approval, as defined  
2 in s. 66.0401 (1e) (a), for a wind energy system, as defined in s. 196.025 (7) (a) 3.”.
